The real estate of which said Henry J. Morgan died seized and possessed consisted of several different tracts of lands, a part of which was owned jointly with your orator the said James D. Morgan. Your petitioners give below a tabulated statement of the several tracts of land, which are as follows:

- (1) A tract of land owned jointly with James D. Morgan, known as the "Brittain Farm", and situated about 4 miles west of Ewing, and described in deeds herewith filed as exhibit (A).
- (2) A tract of land owned jointly with James D. Morgan, situated near Beech Springs, and known as the "Hubbard Place", and fully described in deeds herewith filed as exhibit (B).
- (3) A tract of land owned jointly with James D. Morgan, situated near Beech Springs, known as the "Henson Tract", and is a part of the "Ball Land", being one interest therein, and is fully described in exhibit (C).
- (4) A tract of land situated near Beech Springs, known as the Ball Land, and fully described in exhibit (D), herewith filed as part of this bill.
- (5) A tract of land in Jonesville, the old home place, known as the "Hill Property", and fully described in exhibits (E), filed herewith as part of this bill.
- (6) A lot of land adjoining the Hill Property, being about 1-4 acre, and the same lot that was transferred to said Morgan by James Miles, known as the "Log Office Lot", and fully described in exhibits herewith filed as (F).
- (7) A house and lot situated in the town of Jonesville, near the Hill Property, and known as the "Kate Pendleton" lot, and fully described in exhibits (G).
- (8) A house and lot situated in the town of Jonesville, near the saw mill of W.S. Crowell, and some times called the "Davidson Property", and fully described in exhibits (H).
- (9) A house and lot situated on Town Branch, near the Tan Yard, and sometimes called the "Isom House", described in exhibit (I).

(10) A tract of land situated on Town Branch, some times called the "Glades", and known as the "Eagle Place", consisting of two tracts of land, one containing from 35 to 50 acres, which was purchased by said Morgan from Andrew Milbourn, the other containing about 96 acres and was conveyed to said Morgan by D.W. Martin, and which land is more fully described in exhibits "J", herewith filed.

(11) A tract of land situated on the head waters of Town Branch containing about 43 acres, and being the same land conveyed to said Morgan by J.A.G. Hyatt, Comr. and known as the Woodward tract, and described in exhibit (K) herewith filed.

(12) A tract of land situated near Jonesville, being a part of the "Lane Tract", which was conveyed to said Morgan by J.A.G. Hyatt, and fully described in exhibit (L) herewith filed.

(13) A Tract of land situated near Truro Mines, Ben Hur, Va., containing about 13 acres, known as the "Burgan Land" and fully described in exhibit (M) herewith filed.

(14) A tract of land situated on Rock Lick in the Pocket, consisting of two tracts, one containing 109 acres, and the other 50 acres, being a part of the Chrisman land which came out of the estate of Edward Pennington, and fully described in exhibits herewith filed marked (N).

// Your petitioners would further represent and show unto your honor that the partition of said land among said heirs would be impracticable, some of the lands are very rich and valuable and some is very poor and almost valueless; and your orators allege and will show unto your honor that it would be better by far to have all the lands belonging to said estate sold, and the purchase price thereof divided between said heirs. However, before this can be done it will be necessary to have the land owned jointly by the said Henry J. Morgan and your orator the said James D. Morgan, partitioned

and the interest of each separated.

Your orators would furthur show unto your honor that the said Mark Woodward and Mary Bunday are infants under the age of 21 years, and that R.Lee Woodward is a lunatic and non compos mentis and incapable of taking care of their interest in this suit.

The prayer therefore of your petitioners is that the said Victoria Morison, W.H.H.Smith, D.H.Smith, R.Lee Woodward, Mark Woodward and Mary Bunday be made parties defendant to this bill of complaint and be required to answer the same, but not under ^{*}oath, that a guardian ad litem be appointed to represent the said infants and answer for them and for said lunatic; that the said land which is owned jointly between the said James D.Morgan and said H.J.Morgan be duly partitioned, and that to this end commissioners be appointed to lay off and assign to each party thereto his respective interest; that if the court be of opinion that said tracts of land can not be partitioned between the heirs of the estate practically, that then a decree be rendered directing a sale of the said estate on such terms as the court may deem proper and just; and that all other and furthur relief be granted your petitioners that the nature of their cause and good conscience demands, and they will ever pray &c.

.....

Pursuant to an order entered in the above styled cause at the September Term, 1905, of your honor's court, your undersigned Special Commissioner was directed to make sale of certain lands belonging to the estate of Henry J. Morgan deceased, after certain advertisements, at the front door of the court house of Lee County, at public outcry to the highest bidder on a credit of one and two years time, except to require a cash payment of \$10. Your commissioner made the advertisements required by the said decree, and gave wide circulation of the time and place of sales, and on the 13th day of December, 1905, proceeded to make sale of said lands at the front door of the court house at public auction. There was an immense crowd present, and the biddings were lively, and the land brought a splendid price. Owing to the fact that the lines were not definitely determined and the amount exactly certain, your commissioner did not advertise nor offer for sale the mountain lands, but thought best to have the boundaries described by survey and make sale later.

Your commissioner made the following sales in the following manner:

H.J. Morgan's part of the Brittain land, to C.N. Morgan, @ \$6000.00
He paid your commissioner cash, \$600.00
Executed notes for the remainder, in equal
installments, due in one and two years from
date, with J.D. Morgan as surety, \$5400.00
(J.D. Morgan then paid the two notes by paying
your comr. \$1604.05, cash, and giving your comr.,
receipt for \$3791.95, the amount which he is
entitled to out of the sales made that day,
and your commissioner assigned to him the notes
with the understanding that a deed was to be made
to C.N. Morgan, reserving a lien in favor of said
J.D. Morgan for the said \$5400.00)

H.J. Morgan's part of the Exxx , Hubbard and Hanson tracts at Beech Springs, to Grand F. Smith C, He paid your Commissioner Cash, and is entitled to a deed for said tract of land,	\$3000.00 \$7000.00
